Heavy-Duty MR Filter

The **Heavy-Duty MR** is the toughest Pre-Filter on the market today. It is made of Non-Woven Polyester media, pleated with metal grid backing and bonded to a rigid, heavy duty, moisture resistant, die-cut 52 point frame. It is available in nominal 24" x 24" x 4" sizing. The **Heavy-Duty MR** comes with weep holes for moisture drainage. It is the best Heavy Duty Disposable Pre-Filter in the Industry.
